News from the Learning Desk!

Industry Learning Risk & Financial Advisory

[Click Here](#)

Please write to [Industry mailbox](#) or [Siddharth Sharma](#) for more information.

The [Risk & Financial Advisory Industry Learning Launchpad](#) is the first stop on your industry learning journey. You will find both instructor led and on-demand learning opportunities that can help with onboarding to a client or introduce you to a new industry or sector.

[i360](#) is a vast repository of on-demand, virtual, and classroom industry training applicable to all Deloitte functions, including Risk & Financial Advisory.

- Find CPE-eligible learning based on industry and sector. You can also filter learning to find foundation, advanced and mastery level programs
- Are you new to an industry? Access the Introductory Collection for each industry, which enables you to speak your client's language by getting up to speed where and when you choose

The [Industry Proficiency Program \(IPP\)](#) is a self-paced program that helps guide your industry skill-building activities and recognizes your accomplishments as you achieve your goals at each industry milestone.

- Build a roadmap toward Industry proficiency and meet requirements in the areas of Education, Experience and Exposure
- Deloitte industry training and external training programs qualify for IPP credit

Please write to [Edge Mailbox](#) for more information.

On-Boarding

Technical Internship Onboarding

A curated learning intervention designed to help our tech interns to understand the organization and successfully build their careers. A total of 118 technical interns would joining across January and February would be a part.

Program Dean : Veena Bangarappa

Experience Hire Onboarding

A platform that helps our new experienced hires seamlessly integrate into the practice by understanding our culture. Upcoming third edition of the experienced hire onboarding will have close to 220 experienced hires.

Program Date : 8 February 2021

Want to check your CPE credits? – follow the below steps

1

- [Click here](#) to know your CPE credit history.

2

- The US Firm mandates a CPE compliance requirement for Professionals performing Client Service that consists of earning at least forty (40) CPE Credits by Dec 31st every calendar year. The 40-Credit requirement does not have any limitations/caps based on CPE Credit subject area, type of CPE Credit, or the training's delivery method. Know more about the US Firm CPE requirement [here](#).

3

- To receive CPE credits for any CPE enabled external trainings or certifications (including LinkedIn Learning) submit your completion certificates by following the [External Training submission](#) process.

**About Deloitte**

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as "Deloitte Global") does not provide services to clients. In the United States, Deloitte refers to one or more of the US member firms of DTTL, their related entities that operate using the "Deloitte" name in the United States and their respective affiliates. Certain services may not be available to attest clients under the rules and regulations of public accounting. Please see www.deloitte.com/about to learn more about our global network of member firms.
